

Ring Sizer - Find Your Ring Size

To receive a proper measurement, please read all instructions carefully.

1. When printing, make sure page scaling is set to "none" in the print dialog box.

2. Measure the rulers on the left are exactly 3.5 inches or 90mm.

3. Please check print settings if measurements are inaccurate and reprint.

Measure Your Finger

TIP: For an accurate measurement, measure your finger at the end of the day when it is the largest.

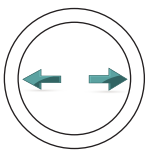

1. Cut out the ring sizer and cut a slit on the left end of the sizer where indicated.
2. Wrap the ring sizer around the finger with the numbers showing.
3. Slide the narrow end through the slit and pull tightly on the largest part of the finger.
4. Read the number that lines up at the slit for ring size.

Measure An Existing Ring

TIP: Order the larger size if ring falls between two sizes.

diameter

1. Select a ring that fits the intended finger.
2. To find the size of the ring, place the ring over the circles below until the inner edge of the ring matches the outer edge of the circle.
