SILPADA

DIGITAL LOOKBOOK // FALL 2023

A Sisterhood Beyond Silver

For 26 years, Silpada has been a destination for unique, high-quality, *and affordable* sterling silver jewelry, and we're just getting started—in so many ways. Although a love for jewelry bonds the Silpada Sisterhood, it is a supportive, inclusive, and empowering group of women-for-women bound by a multigenerational sense of community that offers support and encouragement to all.

Ultimately, we feel there is a special Silpada style for everyone—hopefully, you do too!

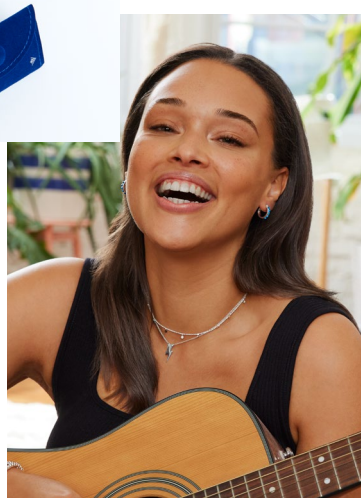

Our Mission

At our core, we believe in empowering women, supporting our communities, giving back, and changing the world around us for the better! Our history of charity work continues to live on through many efforts near and dear to our hearts. From supporting women's health, empowering female entrepreneurship, uplifting women from all socioeconomic backgrounds, donating to ecological efforts, and contributing to the humanitarian aid of Ukrainians, we believe there's strength in community–and we're proud to give back.
